

# Junior & Brandi McIntosh

*Colossians 4:2  
Continue in prayer....*

We are grateful for the monthly prayers and financial contributions, as your commitment to the Lord enables us to serve as representatives of Christ to the people of Belize. We are indeed fortunate to have churches and individuals who genuinely care for the well-being of the Belizean community. Please keep in your prayers the families, churches, and towns impacted by Hurricane Helene. Many of our friends and supporting churches in Western NC are enduring significant challenges, and we thank God for their steadfastness during these trying times.

We've submitted our application to the Ministry of Education for the approval of Beacon Baptist Academy. Please continue to pray for the following matters:

- 1) Wisdom from God on everything
- 2) Quick answers from the educational department
- 3) God to begin preparing future teachers and an administrator
- 4) Building finances
- 5) Construction of new building (25x70 - 2 story) to begin the moment of approval
- 6) For favour with all government agencies involved
- 7) For the Lord to start now preparing the hearts of future students and parents
- 8) Produce followers of Christ through a solid Bible education

In August, we commenced a brief furlough and returned to Belize at the end of September. During this time, we traveled approximately 6,400 miles, visiting 10 of our supporting churches and introducing the Belize ministry to five new congregations in hopes of securing additional monthly support. While we were away, our Belizean church family took over the church and ministry responsibilities, ensuring everything continued smoothly. Brother Santiago led a Sunday morning service and conducted all Wednesday night prayer and Bible meetings, while Julian taught the youth classes on Sunday mornings and Wednesday nights. Additionally, three women from our congregation taught the children's Bible classes on Sundays, and Mrs. Elida and Ms. Dalia managed the Good News Club.

In October, a missions team from Tennessee joined us for a week of serving. They organized four impactful nights of a "Teen Explosion Rally," resulting in several commitments to follow Christ. This team built many new relationships within our village, highlighting the success of cross-cultural ministry. While in Bullet Tree, we had the opportunity to share the gospel of Jesus at the local Catholic school, reaching 350 students, and at the Nazarene school in the city, where we engaged an additional 400 students. We are thankful that the gospel is the power of God for salvation to all who believe.
