2 Corinthians 5:20
...we are ambassadors for Christ...

We are grateful for the monthly prayers and financial contributions, as your commitment to the Lord enables us to serve as representatives of Christ to the people of Belize. We are fortunate to have churches and individuals who genuinely care for our Belizean friends and family.

We are patiently waiting on the approval from the Ministry of Education to begin Beacon Baptist Academy. Please continue to pray for the following matters:

- 1) Wisdom from God on everything
- 2) Quick answers from the educational department
- 3) God to begin preparing future teachers and an administrator
- 4) Building finances
- 5) Construction of new building (25x70 - 2 story) to begin the moment of approval
- 6) For favour with all government agencies involved
- 7) For the Lord to start now preparing the hearts of future students and parents
- 8) Produce followers of Christ through a solid Bible education

We're so thankful for God's goodness! On March 1st, we formed a church planting team from Bullet Tree Baptist Church. We've been visiting homes in Shawville village and ministering in the park on Sunday evenings with children's outreach. Right now, there isn't a church in this village, but we see God helping us build friendships with many children and their families.

On the last Sunday of April, we held our first adult Bible class in the village. Praying that this will lead to a new church plant. We really need God to touch people's hearts and help us find a piece of land for a building where we can hold services. It's a great honor to serve the Lord and watch our Belizean church planting team grow as we reach out to others with the message of Jesus Christ!

We also started our 7th class at the Bible Institute, with 18 eager students ready to learn more about God's Word through the Old Testament Survey. One of the students, 16-year-old Julian Suarez, surprised us with a quick lesson on Hermeneutics, which is about understanding and interpreting the Bible. He manages to balance his studies between Bible College, the BTBC Bible Institute, and his senior year of high school. He has already completed two Hermeneutics courses and did a fantastic job teaching the class! This young preacher is excited about ministry and is looking forward to the future in serving the Lord.

We went to Dangriga for a youth rally. Fourteen young people from BTBC joined us for this trip to the coast. The theme of the rally was "Break the Cycle," encouraging them to live a life that pleases the Lord. After the rally, we took the youth to the sea. For one of them, it was his first time seeing the ocean. His excitement was clear, and his big smile made all the effort we put into supporting our youth worth it.
