Philippians 3:14

...press toward the mark for the prize of the high calling of God in Christ Jesus.

Thank you for your monthly prayers and financial support. Your commitment to the Lord helps us share Christ with the people of Belize. We feel blessed to have churches and individuals who genuinely care for our friends and families here. We appreciate your kindness!

We have had a busy start to 2026. So far this year, we've hosted two mission teams. On January 19th, our first construction team from Tennessee arrived. Their effort was truly a blessing. In a short time, they made great strides constructing two and a half walls to completion. These walls represent so much more than just blocks and cement.

Their commitment was evident in every early morning they woke with enthusiasm, even on their last day when they were flying home. Choosing to focus on the project at hand, they poured their energy, sweat, and even blisters into ensuring the job they came to do was completed. Each wall they erected brought us closer to the opening of Beacon Baptist Academy.

The impact of their labor will echo in the classrooms for years to come, serving as an opportunity to every child that attends. Together, we are not just constructing walls; we are laying the foundation for a brighter tomorrow filled with hope and learning.

We welcomed a medical team for four days, with most of the members coming from Ohio. They flew into warmer weather and quickly got to work. Over the course of their visit, the team saw about 385 patients at two different locations in our area. Many people received much-needed physical help, but the most important was the spiritual decisions that were made. Several individuals expressed their faith, and a few received clarity on salvation through grace rather than works. The entire week was a blessing, and our Savior was truly glorified and honored.

In January, we took a moment to recognize those who completed reading the New Testament, as well as Dr. Erin from the medical team, who read the entire Bible in 2025. Last year, Dr. Erin was inspired when she saw many members of Bullet Tree Baptist receive their Bible reading certificates for 2024. We are grateful for our fellow Belizeans for encouraging others to engage in God's Word. Faith comes by hearing and reading God's Holy Word!

Our Bible Institute started a new class on the book of Acts. We're excited to have 24 students enrolled, our largest class since beginning in September 2023. It's truly a blessing to witness their eagerness to deepen their understanding of God's Word. As a church family, we are studying and growing together.
